Volunteers are lower for this comp than the last week but do-able. Eating on the bus in between.

Take note to get water and snacks for comp. We have 9 24 packs of little waters. 36, 24, 18 packs of granola bars (78.... we will need more)

Check med bags. Need ice packs and more band aids

We need to order concert attire since we have \$530 left in money from G2. We need to order pants as we are out of some sizes.

### Trailer reimbursement

- Trailer drivers 14 cents a mile, and it is available if needed but not automatic. The first show is a wash as it needs to be more regulated.
  - Goes back to the student account??
  - Or given the option for reimbursement.
- Concerns for parents asking for more reimbursement
- It was agreed that we are not able to compensate for gas moving forward. Maybe a gas card as a token of appreciation.

### Upcoming Events

- Thursday the 10th is an odd Thursday night game. We need more volunteers for sure.
- 8th grade night is now the same night as senior night October 25th due to the VBCPS Academy Program Night being scheduled on October 10th . Dress them, feed them and play.
- 26th is the Tallwood Invitational. Amanda is making the sign up Genius. 30 days free and set up with the VP email but moving towards a Google form instead.

In the event no one steps up for the committee. Bring Jessica back? Amanda will reach out to Jessica for help with the event.
